MEMORANDUM FOR: MEMBERS, INTERAGENCY  
CLASSIFICATION REVIEW COMMITTEE

FROM: JAMES B. RHOADS  
ACTING CHAIRMAN, ICRC *JBR*

SUBJECT: ICRC BROCHURE - "KNOW YOUR RIGHTS  
TO MANDATORY REVIEW OF CLASSIFIED  
DOCUMENTS"

Based on the last round of comments submitted by the ICRC members, the text of the ICRC brochure on mandatory review has been revised and put into its final version.

Our next steps are essentially technical; design, selection of paper and ink, and preparation for the printer. One of these essential steps is the estimate of the number of brochures to be printed.

To assist us, would you please submit an estimate of the number of brochures your agency will want to stock initially.

MEMORANDUM FOR:

STAT

The attached concerning the number of ICRC brochures, I suppose is yours. I suppose also we have to ask for some, and because I can't think of any number which makes more sense, how about 100?
